Vitamin B

COENZYME ACTIVE B6 500 mg CAPS

P5P/PAK Dietary Supplement

Hypoallergenic
A sophisticated combination of the coenzyme form of Vitamin B6 plus PAK for maximum bioavailability. Coenzyme B vitamins do not require the usual conversion by the liver but are directly transported to their action sites. This enables the body to use these coenzyme B vitamins more efficiently thus lower potencies are needed for energy production.**

Item #: 6236
