Omega-Flax™

Fresh, Cold-Pressed Flaxseed Oil * 250 ml Bottles and 1,000 mg Softgels

enlarge bottle

Flaxseed oil is an ideal vegetarian source of omega-3 essential fatty acids (alpha-linolenic acid). Omega-3 EFAs are used to make prostaglandins, thromboxanes and leukotrienes. These chemical mediators help regulate many vital body functions, including blood pressure and blood clotting. Epidemiological and animal studies have shown that omega-3 fatty acids can help support a healthy cardiovascular system.

Supplement Facts for Liquid

Serving Size: 1 bottle

	Amount	%DV
8.5 fl oz of 100% unrefined virgin flaxseed oil
