# Grape Seed Extract

## Proanthodyn™ * 100 mg and 200 mg

enlarge bottle

Grape seed extract is a natural plant product that is rich in proanthocyanidins, a special class of water-soluble bioflavonoids. Proanthocyanidins are potent antioxidants that have been proven in in vitro studies to effectively scavenge both water- and lipid-soluble free radicals. In vitro studies have also demonstrated proanthocyanidins' ability to support the integrity of elastin and collagen, important constituents of connective tissue.

**Supplement Facts for 100 mg**
