Usage
Calcium is important for proper bone development and muscle function. It regulates heart rhythm; activates enzyme systems including blood clotting. It is also essential for nerve/muscle innervation, regulates blood pH, and operates the calcium channel pump by which important bio-molecules are transported into the cell.*

Recommended Daily Dosage
Take two capsules twice daily with meals or water.

The following list is for serving size of 2 capsules

Primary Ingredients	***Amount***	***USRDA***
Calcium (citrate/carbonate/malate)	500 mg	50%
