Trust The Leaf™

Calcium Complex Bone Formula

Description
This formula contains key minerals and trace elements necessary for maintaining bone mass. The calcium and magnesium used in this formula promote a beneficial pH for efficient mineral uptake. Trace minerals are bound to advanced organic chelates for superior absorption.

Usage
Calcium, Magnesium, and other minerals help maintain normal structure and development of bones. Studies have shown that calcium supplementation may help to maintain normal bone density among women as they age. *

Recommended Daily Dosage
Take three capsules twice daily with meals or with water.
