Heart Science™

Bio-Aligned Formula™ * Comprehensive Cardiovascular Support

enlarge bottle

Heart Science is a Bio-Aligned Formula that addresses interrelated systems and functions involved with heart health. Heart Science supports energy generation, homocysteine regulation, electrical rhythm, antioxidant protection, and blood vessel integrity. Heart Science supplies coenzyme Q10, which may help regulate the metabolism of the myocardium, or heart muscle. It contains potassium and magnesium, electrolytes vital for healthy heart function, and the herb hawthorn, a rich source of flavonoids, which is a traditional heart tonic. It also provides vitamins B-6, B-12 and folic acid, which help maintain healthy homocysteine levels; vitamin E, a cardioprotective antioxidant; and the amino acid carnitine, which promotes beta-oxidation of fatty acids, an important source of energy for the heart.

Supplement Facts

Serving Size: 6 tablets

	Amount	%DV
Vitamin A (as beta carotene)	45000 IU	9
Vitamin C (as magnesium ascorbate)	1,500 mg	25
