OPC-85™

Masquelier's Pine Bark Extract * 50 mg and 100 mg

enlarge bottle

OPC-85 is a potent natural antioxidant derived from the bark of the European coastal pine, Pinus maritima. OPC refers to oligomeric proanthocyanidin complexes. In vitro studies have shown that these water-soluble bioflavonoids help maintain the integrity of collagen and elastin, two important constituents of connective tissue.

Supplement Facts for 50 mg
