Aloe Verite™

Whole Leaf Aloe Vera Liquid and Tablets

enlarge bottle

Aloe has been revered since ancient times. The most valuable part of the plant is the gel, which is rich in comforting polysaccharides, such as glucomannans. Source Naturals Aloe Verite liquid was the first to combine aloe with the popular herb, stevia. It is available in five flavors: natural, natural with stevia, apple with stevia, lemon-lime with stevia, and raspberry with stevia. Aloe Verite tablets offer the benefits of premium aloe vera juice in powerfully concentrated, easy-to-swallow tablets.

Supplement Facts for tablets
Serving Size: 3 tablets

	Amount	%DV
