Calcium Magnesium Citrate 100 capsules
71980

Buy

A balanced formulation of two important macrominerals, in the highly bioavailable citrate forms. Every batch is tested to ensure the absence of heavy metals and other contaminants.

Each capsule contains:	
Calcium (as Calcium Citrate)	100 mg
Magnesium (as Magnesium Citrate)	100 mg
Other ingredients:	
Magnesium stearate, cellulose.	

Suggested use:
As a dietary supplement, 1 capsule one to three times daily between meals, or as directed by a healthcare practitioner.

Contraindicated with use of aluminum containing drugs.
