As a dietary supplement, take 20 drops three times a day or as directed by your practitioner.

[Product Description]

Grifron® Maitake D-Fraction® Standard (Tincture) contains purified and standardized **"active proteoglucan"** from Maitake mushroom (*Grifola frondosa*) with **standard strength.**

This product is most suitable for regular health maintenance for healthy people. For other purposes "Grifron®-Pro" line with professional strength, which is 4 times more concentrated, is recommended.

The **active proteoglucan**, often referred to as **D-fraction** by scientists, is a unique **beta-glucan** conjugated with protein, which has been identified and isolated as a responsible substance for **potent immune-activating property** of Maitake mushroom.*

Our marketing history shows that **Grifron® Maitake D-Fraction® Standard** is very safe and well tolerated.

Grifron® Maitake D-Fraction® Standard 4 oz. bottle contains **3,000 mg** of PD-Fraction, which is standardized to contain more than 900 mg (30%) of the **active proteoglucan**.

Grifron® Maitake D-Fraction® Standard contains **no alcohol, sugar, yeast, mold, gluten, dairy products, artificial colors, preservatives, pesticides, herbicides or fertilizers**.

Maitake D-Fraction® is the registered trademark of Maitake Products, Inc. which holds the exclusive right to use the trade name.
