0022A LIVER-ENHANCER 2 OZ Price Shopping Cart 0 Our U.S. government patented formula **U.S. Patent #5939072** helps to maintain the healthy function of your liver. Drink **Liver-Enhancer®** to nurture and detoxify your liver, to fight oxidizing free-radicals, balance your immune system while restoring your body's natural healing powers. According to Traditional Chinese Herbal Theory, the liver energy controls and balances the spleen and stomach energies.

Liver-Enhancer® delivers the maximum benefits from historically proven edible, precious and beneficial mushrooms, such as Reishi, Cordyceps, Maitake and Shiitake. This balanced combination of our pure mushroom extracts act synergistically with the hepato-protective Schisandra, Chinese Lycium and Milk Thistle. Stevia and Lo Han provide a balancing and moistening effect on internal organs. The polysaccharides in these ingredients have been scientifically proven to be effective in modulating the immune system.

Active ingredients: Chinese Lycium, Maitake, Stevia, Lo Han, Shiitake, Cordyceps, Reishi, Chinese Licorice, Schisandra, Milk Thistle, Chinese Skullcap.

Usage instructions: Shake well. **Adults:** Mix one full dropper in 6oz. of water at any temperature. Drink up to 3 times daily. **Children 10 and over:** 1/2 dropper.
