Calcium Pyruvate 90 capsules
72950

Buy

Calcium pyruvate is involved in ATP production, increased protein uptake, increased glucogen storage, and cellular respiration, potentially helping the body utilize fat for energy, spare lean body mass and increase endurance during exercise.*

Each capsule contains:	
Calcium (as Calcium Pyruvate)	110 mg
Pyruvate	530 mg
Other ingredients:	
Magnesium stearate.	

Suggested Use:
As a dietary supplement, 1 or 2 tablets one to three times daily, or as directed by a health practitioner.
