Joints Formula

Description
Joints Formula with Glucosamine represents the powerful synergy of current scientific research and traditional herbal medicine.

Usage
The Glucosamine HCL in Joints Formula is the main building block for semi-fluids that lubricate joints. HCl is an easily assimilated form of Glucosamine. Masquliers Tru-OPC's, protect and strengthen collagen for healthy connective tissues. Trace minerals are essential for healthy bone matrix, and Boswellia extract, is a highly researched Ayurvedic herb.*

Recommended Daily Dosage
Take three capsules twice daily, preferably with food.
