*Natrol's new Bone Protector with Ostivone is a revolutionary dietary supplement that can enhance your bone health regime-beyond Calcium. Compelling new studies indicate that Ostivones key ingredient helps decrease the rate at which bone loss occurs. This is especially good news for postmenopausal women and also men and women over the age of 30 at which time bone loss normally begins. A daily intake of Bone Protector with Ostivone is complemented with 1200mg of elemental Calcium for maximum benefits.**
