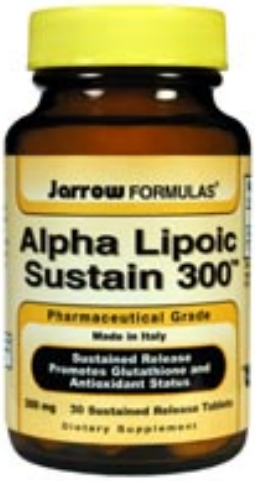
Alpha Lipoic Sustain™ 300



Sustained Release
Tablets 300 mg each
Pharmaceutical Grade

30 Tablets Prod # 20021
60 Tablets Prod # 20010

Books on this product

USAGE: Take 1 to 2 tablets per day with meals, or as directed by your qualified health consultant.

Alpha Lipoic Sustain™ 300 is in a sustained release format to minimize gastric irritations and blood sugar fluctuations. Alpha Lipoic Acid is a disulfide molecule (containing two thiol groups). A thiol (or -SH) consists of a sulfur and a hydrogen atom. This unique antioxidant is both lipid and water soluble, a potent promoter of glutathione synthesis and cofactor in energy production, helping to regulate glucose metabolism. Jarrow Formulas® Alpha Lipoic Acid is made in Europe. Biotin is added for optimum ALA activity.

Keep out of the reach of children.
