Product Detail

Grifron®-Pro Maitake D-Fraction® (Tincture), 60 ml

Product Code:
Price:
Stock Status: .
Quantity:

[Ingredients]

Serving Size: 6 drops
Servings per Container: 270
Amount per Serving:
Maitake Mushroom (*Grifola frondosa*) Extract (PD-Fraction®, standardized to contain 30% active proteoglucan) 22 mg*
Other Ingredients:
Water, Vegetable Glycerine

*Daily Value not established.

[Direction for Use]

For health maintenance, take 6 drops three times a day or as directed by your practitioner.

For the best benefit we recommend to take **1 drop/kg of body weight daily**, divided into 3 doses.

[Examples]
Are you familiar with kg?
If you weigh 75kg, take 75 drops divided in 3 times (25 drops x 3 times) a day.
Are you not familiar with kg?
If you weigh 150 lb, **divide it by 2** (=75). That approximates kg. Take 75 drops a day.

[Product Description]

Grifron®-Pro Maitake D-Fraction® (Tincture) contains purified and standardized **"active proteoglucan"** from Maitake mushroom (*Grifola frondosa*) with **professional strength.**

The "Grifron®-Pro" products are the most purified and concentrated version among our D-Fraction line.

The **active proteoglucan**, often referred to as **D-fraction** by scientists, is a unique **beta-glucan** conjugated with protein, which has been identified and isolated as a responsible substance for **potent immune-activating property** of Maitake mushroom.*

Grifron®-Pro Maitake D-Fraction® has been the subject of many clinical and non-clinical studies in the US, Japan and other countries. It was honored to be referred to by many prominent healthcare professionals in their books and articles repeatedly. Our studies and marketing history show that it is very safe and well tolerated.

Grifron®-Pro Maitake D-Fraction® 2 oz. bottle contains **6,000 mg** of PD-Fraction, which is standardized to contain more than 1,800 mg (30%) of the **active proteoglucan**.

(Please note that other maitake extract products on the market contain no more than 2,000 mg of crude extracts in 2 oz. Further, the levels of active substances in such crude extracts have never been disclosed.)

Grifron®-Pro Maitake D-Fraction® contains **no alcohol, sugar, yeast, mold, gluten, dairy products, artificial colors, preservatives, pesticides, herbicides or fertilizers**.

Maitake D-Fraction® is the registered trademark of Maitake Products, Inc. which holds the exclusive right to use the trade name.
