*•Supports Heart Health**

•Better than Fish Oil

*Natrol's Omega-3 Complex is the first to combine fatty acids from both grain and marine sources - in exactly the right ratios-in one single product. This unique combination of essential fatty acids (EFAs) helps support numerous functions in the body including cardiovascular health. At 400 mg of Omega-3 per serving, two Natrol Omega-3 Complex softgels daily give you the same EFAs as eating three servings a week of salmon (a food known for its levels of "good fats").**
