Hem-Tone™

Helps maintain healthy veins†

Dietary Supplement

Product Numbers: 03209

Product Quantities: 90 Capsules

Healthy veins can be critical to physical comfort. The veins just underneath the mucus membrane, lining the lowest part of the rectum, are often subjected to strain. Hem-Tone™ contains several nutrients that are key to maintaining healthy veins.†

- Butcher's broom-Researchers have shown a great interest in the connection between ruscogenins, the most important compound in butcher's broom, and venous function.†
- Collinsonia root-The compounds in collinsonia root nutritionally support vascular tone.†
- Rutin-This citrus flavonoid that supports capillary and vein function.†
- Vitamin E-Research suggests that vitamin E supports the veins by dilating the blood vessels and affecting blood-clotting mechanisms.†

Product Nutrient Categories: Glandular Herbal Mineral Vitamin

Recommendations: Adults: Two capsules with water or your favorite beverage one or two times daily. Children under 12 years of age: One or two capsules with water or your favorite beverage twice daily.

Capsule Size: 00

Serving Size: 2 Capsules	**Amount/Serving**	**%DV**
