Supplements

St. John's Wort Extended Release 450 mg Tablets

Product No. 7350

Available in superior extended delivery, St. John's Wort, a perennial native to Britain and other European countries and Asia, has spread throughout the Eastern United States and Canada. Nature's Plus Herbal Actives St. John's Wort flower extract is uniformly standardized to a minimum of 0.3-0.5% (1.35 - 2.25 mg) hypericin to guarantee that each and every capsule provides consistent potency and activity. Each capsule, providing the greatest concentration of active botanical principles, maximizes the synergistic benefits of the whole flower, which naturally contains flavonoids, tannins, xanthrones, monoterpenes and phytosterols.

Bottles of 60 #7350
