PRODUCT #: 3288
UPC: 733739032881
SRP: $33.95
Where to Buy
Add a Comment

Isoflavones are naturally occurring plant compounds that are particularly concentrated in soybeans. Genistein, daidzein and glycitein are the major isoflavones found in soybeans. NOW® Extra Strength Soy Isoflavones Vcaps® have been extracted through a proprietary process that results in the highest natural levels of Genistein - a quantum leap in potency over most soy isoflavone products.
