Natrol Lycopene *is an amazing phytonutrient. Lycopene is the subject of recent research revealing its antioxidant properties. Lycopene has been identified as the key compound found in rich, red tomatoes. Although a diet high in fruits and vegetables is recommended for optimum health, it can be difficult to obtain the appropriate daily servings. By isolating Lycopene into easy to swallow tablets, Natrol now offers a solution to help supplement your diet with this health promoting compound.**
