

Doctor's Choice Eye Formula™†

Provides comprehensive nutritional support for eye health†

Dietary Supplement

Product Numbers: 00179

Product Quantities: 90 Tablets

The valuable nutrients in Doctor's Choice Eye Formula™† include:

- Vitamin A, which is essential for eyes' adaptation to changes in light, night vision, and color vision.†
- Beta-carotene, which helps maintain eye moisture.†
- Zinc, which helps prevent night blindness and is responsible for the mobilization of vitamin A.†
- Vitamin C, which is essential to eye lens function.†

Doctor's Choice Eye Formula also contains beneficial herbs: Hachimijiogan herbal complex (an ancient Chinese herbal formula) and standardized extracts of bilberry, curcuma root, and grape seed. Doctor's Choice Eye Formula was specially designed to be used in conjunction with the age- and gender-specific Doctor's Choice multiple formulas.
