7-KETO™ Naturalean

(Ephedra-FREE!)

Clinically studied to help burn fat and promote weight loss†

Dietary Supplement

Product Numbers: 05163

Product Quantities: 30 Capsules

7-Keto™ has been shown to be a remarkably effective weight-loss aid in placebo controlled clinical studies. In fact, one study showed that participants who combined 7-Keto with a healthy diet and exercise lost an average of one pound per week, while the placebo group lost less than one-fourth of a pound per week.† The weight loss was due to a loss of body fat—not water weight or muscle tissue. 7-Keto Naturalean combines clinically studied 7-Keto, the safe form of DHEA, with seven other powerful natural compounds to support metabolism and weight loss.†
