Cell Forté® with IP-6 & Inositol provides exceptional support for the most critical cells in your immune system.† It dramatically increases natural killer-cell activity and boosts the cells' defenses for life-changing results.†

Two scoops of ultra-strength powder deliver the same benefits as 16 capsules. Also available in capsule form and double-strength chewable tablets.

IP-6 plus inositol yield IP-3, which is important to regulating healthy cell growth.†
