"I have had burning feet for over 5 or7 years now. I have been from doctor to doctor and cannot find anyone or anything to help. I stopped at a flea market on the way home from the hospital formore test when I saw a booth set up with this item to test. They applied some to both feet. My feet had never felt so good and all these years. I am now using it two to three times a day and it has really changed my life.I really had everyone out ther crying that day.It DOES work !!!"
