Cocoa Butter Pure - 5 oz.

Useful for sunburns, softening skin, scar tissue and stretch marks from pregnancy, this lavish formula combines the skin-softening effects of cocoa butter with the enhancing benefits of pure jojoba oil to offer a texture that is even smoother than 100% cocoa butter. Jojoba is very similar to the sebum produced by our own skin, making it an excellent choice for facial and body oils, as well as hair and scalp treatments.
