With a staggering percentage of the male population suffering from some form of prostate related ailment (with many believing their discomfort is an unavoidable result of aging), promoting healthy prostate function is essential for all men over 35. NOW Prostate Support contains standardized saw palmetto extract (clinically proven to prevent benign prostate enlargement) along with a balanced base of herbs and nutrients that works collaboratively to offer an unparalleled level of prostate protection. Recommended by Dr. James Balch, the nations best known urologist, NOW Prostate Support is a smart and cost effective way for today's man to take charge of his prostate health.*
