Artichoke 500

180 Capsules
500mg each
Prod # 14062

Usage: Take 1-3 capsules per day with food. NOTE: Not to be used by individuals that are allergic to artichoke, pregnant or lactating. Individuals with gall bladder or bile duct blockages should not use artichoke extract.

Jarrow Formulas' Artichoke 500 Extract is standardized to contain 15% chlorogenic acid and 5% cynarin. Clinical research has documented the following beneficial properties of artichoke extract:

• Liver Function - Protects glutathione levels. Stimulates liver activity by promoting circulation within the liver.
• Cardiovascular Function - Inhibits oxidation of LDL cholesterol and increases healthful levels of HDL (protective) cholesterol.
• Digestion - Stimulates synthesis of bile, a product of the liver that supports detoxification and the absorption of fat-soluble nutrients.
Keep out of the reach of children.
