Prosta-Response™

Bio-Aligned Formula™ * Supports Healthy Prostate Function

enlarge bottle

Prosta-Response is a Bio-Aligned Formula that supports multiple body systems involved with the health of the prostate - a walnut-sized gland located under the bladder and surrounding the urinary tract in men. Prosta-Response supports hormonal regulation, cellular regeneration, antioxidant defense, the bladder and urinary tract, and the body's natural soothing mechanisms. It contains clinically researched amounts of saw palmetto extract and beta-sitosterol, plus quercetin, soy, and lycopene. These antioxidants and compounds, along with essential vitamins and minerals, help maintain tissue and cell integrity, which are vital to prostate health.
