•*Helps Promote Positive Outlook**

•*Clinically Studied*

•*Enteric Coated*

*Beneficial levels of SAMe (S-Adenosyl-Methionine), an amino acid naturally produced by the body, may be reduced by aging. Many studies exist regarding the use of SAMe supplementation to enhance mood and promote a positive outlook. Clinical studies also show SAMe contributes to joint health by stimulating the production of GAGs (Glycosaminoglycans), important components of connective tissue.**
