Perna™ Plus

Perna ™ Plus is a state-of-the art, U.S. Patent Pending nutritional supplement that uniquely combines the Green-Lipped Mussel (Perna canaliculus), Glucosamine Sulfate, Methysulfonylmethane, and chelated Manganese for the support of proper joint and connective tissue functions.* This unique combination of nutrients provides a quicker healing response than would be seen if any of them was taken singly. The effectiveness of Perna™ Plus is due to the unique biological activity of the nutrients in the Perna Mussel including all major classes of glycosaminoglycans that include Chondroitin -4- and -6- Sulfates. The addition of Glucosamine and MethylSulfonylMethane is the "Plus" in Perna™ Plus. Perna™ Plus isalso of particular importance to the elderly for support of joint flexibility and mobility that can decline through the aging process.*

Two tablets contain- 10 mg Manganese, 1000 mg Perna canaliculus (Green Lipped Mussel), 600 mg Glucosamine Sulfate, 400 mg Methylsulfonylmethane.

Additional ingredients: vegetable stearate, avicel, manganese amino acid chelate.

Warning: If allergic to Shellfish, do not take this product.

Suggested use: As a dietary supplement, take 2 tablets 3 times daily with food for 2 to 4 weeks, then reduce to 1 to 2 tablets twice daily with food.

Perna™ Plus 2365

2365.9 (90 tablets)

2365.18 (180 tablets)
