Multi-Source Cal Mag

A dietary supplement to support bone function.* This formula contains three types of chelated calcium--calcium citrate, calcium aspartate, and calcium carbonate--so your body can assimilate the minerals efficiently. The Calcium and magnesium potencies are balanced at 450 mgs of each, and Vitamin D_3 is added to make this a complete formula. A deficiency in Vitamin D_3 can inhibit your body's ability to absorb calcium and magnesium.*

Three tablets contain 75 IU Vitamin D, 450 mg Calcium, 450 mg magnesium, 75 mg betaine hydrochloride.

Additional ingredients: magnesium amino acid chelate, magnesium oxide, calcium citrate, calcium asparate, calcium carbonate, stearic acid, vegetable stearate, croscarmellose sodium, silica.

As a dietary supplement, take three tablets daily with a meal.

Multi-Source Calcium/Magnesium 2223

2223.9 (90 tablets)

2223.18 (180 tablets)
