Warning: Do not take this product for headache pain for more than 7 days for adults or 5 days for children. If symptoms persist, get worse, or are accompanied by a high fever, or if new symptoms occur, consult a physician, because these could be signs of a serious condition. As with any medicine, if you are pregnant or nursing a baby, seek the advice of a health care professional before using this product. Keep this and all medicines out of the reach of children.

Suggested Use: Chew 1 tablet slightly and allow to dissolve in the mouth. Adults, take 1 tablet every 2 to 4 hours, until symptoms improve. Then, take only as needed to maintain your well-being. For optimal results, a maximum of 6 tablets per day is recommended. Children ages 2 to 12 years, use one-half the adult dosage. For children under the age of 2 years, consult your health
