Product Information

KAL Enhanced Energy® with Lutein

Description:	KAL® Enhanced Energy® Multiple is possibly the most advanced multiple of our time...scientifically formulated to optimize your body's daily performance levels and to give you the energy you need. Just three Enhanced Energy® Multiple tablets provide a power-packed blend of vitamins, minerals, enzymes, amino acids and co-factors plus a super-energizing green food complex, rich in important nutrients. KAL® Enhanced Energy® Multiple is new and improved to contain even more of the energy-promoting B-Vitamins and lutein for healthy eyes. In order for your body to assimilate these essential energy-producing nutrients, they must first be absorbed into the bloodstream. KAL® Enhanced Energy® Multiple contains an exclusive absorption-activating ActiSorb® Base which includes the highly-researched BioPerine®. ActiSorb® Base boosts product performance by stimulating gastric secretion and the body's thermogenic activity. Don't settle for less. Take Enhanced Energy® Multiple.
