Deglycyrrhizinated Licorice (DGL) is a safe and effective licorice extract. It is specially processed to have glycyrrhizin removed to avoid potential side effects such as elevated blood pressure. DGL improves the integrity of the natural mucus lining of the stomach and intestinal wall. It stimulates the protective factors which guard against weaknesses in these linings.*

Suggested Usage:
Chew 1 tablet up to 3 times per day 20 minutes before each meal or as directed by a health professional. Keep out of reach of children.

Contains no artificial preservatives, color or sweeteners; no dairy, soy, starch, wheat or yeast.
