Vitamin E-400 IU - D-Alpha Tocopheryl Acetate - 100 Gels

- **Antioxidant Protection***
- **100% Natural d-alpha Tocopheryl**

Vitamin E is a major antioxidant and the primary defense against lipid peroxidation. It is particularly important in protecting the body's cells from free radical/oxidative damage. These protective benefits are achiveable with supplemental intakes higher than what is normally consumed in the average diet.*

PRODUCT #: 0837
UPC: 733739008374
Where to Buy

From the FDA's website: "Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive."
