As a dietary supplement, take 4 tablets once a day (or 2 tablets twice a day) after meal or as directed by your practitioner.

[Product Description]

Traditionally cordyceps has been praised for its health benefits to elevate energy level, stamina, endurance and sexual performance* in Asian countries.

Super Cordyceps contains both the whole fruit body of cordyceps and a high-quality mycelium (CS-4 strain) extract.

(Please note that most of cordyceps products on the market do not contain fruit body, although which has been used traditionally.)

Also our Super Cordyceps contains an extract of **Maitake D-fraction® (TD-Fraction®)**. Maitake D-fraction® helps maintain healthy immune functioning*.
