*Daily Value not established.

[Direction for Use]

As a dietary supplement, take 4 tablets once a day (or 2 tablets twice a day) after meal or as directed by your practitioner.

[Product Description]

Also called "Silver Ear" or "White Jelly Leaf", Tremella is a very popular mushroom used not only in Chinese cuisine, but also in traditional Chinese medicine. It is said that legendary Yang Guifei (719-756, Imperial Concubine in Tang Dynasty, one of the most beautiful women in Chinese history) believed that Tremella is one of the most important secrets for her beauty.

Tremella contains about 70% dietary fiber such as acidic polysaccharides and very rich pro-Vitamin D which is converted to active Vitamin D with the help of sunlight.

Super Tremella contains both the whole fruit body of Tremella and its high-quality extract.

Also it contains an extract of **Maitake D-fraction® (TD-Fraction®)** and **Bioperine®**. Maitake D-fraction® helps maintain healthy immune functioning*. Bioperine® is a pure piperine extract obtained from black pepper fruits which significantly enhances the bioavailability of various nutrients*.
