Ask anyone committed to a healthy lifestyle - absorption is essential. With this in mind, each serving of NOW Liquid L-Carnitine delivers 1000 mg of the highest potency L-Carnitine available today. And while small amounts of this crucial amino acid can be found in red meats and dairy products, supplementation has been used and trusted by people from every walk of life. Known for its cellular energy boosting and post workout recovery properties, NOW Liquid L-Carnitine serves as an excellent addition to your healthy lifestyle.*

NOW® L-Carnitine 2X Liquid provides double (1g) the potency of some competing brands per serving size.
