Vegetal Silica 500 mg - Strengthens hair, skin, & nails

Flora's silica extract capsules contain a water soluble, aqueous extract of spring horsetail, based on the method developed by Dr. Louis Kervran in France. Silica acts as a precursor to calcium and is used by the body to strengthen nails, hair, skin and the entire connective tissue system. Vegetal Silica contains natural chelating factors which ensure better assimilation.*

Supplement Facts:
Serving Size: 1 capsule

Amt. per serving
Spring Horsetail 410 mg (equals 10 mg silica)

Other Ingredients: Microcrystalline cellulose, magnesium stearate, in a vegetarian capsule made of water and hypromellose (USP).
