

Metal Magnet™

Supports the process of eliminating heavy metals from the body†

Product Numbers: 08643

Product Quantities: 30 Capsules

Metal Magnet's key ingredient, purified Humifulvate, is obtained from a unique, spring-fed, Hungarian peat deposit that is over 3,000 years old. It has been the subject of scientific studies for over 40 years. Research shows that Metal Magnet™ binds to heavy metals such as lead and cadmium, allowing the body to expel them more easily.†

Years of environmental exposures to toxins, buildup of unhealthy waste substances, and improper eating habits can all take their toll on your system. Metal Magnet contributes to a healthy lifestyle by helping limit the amount of heavy metals in the body.†

Recommendations: One capsule daily between meals with a full glass of water. Do not take other dietary supplements or prescription drugs three hours before or after taking Metal Magnet. Use for eight-week periods between cleansings with our Whole Body Cleanse or Simple Cleanse.† Do not exceed three eight-week periods in one year unless directed by a health care practitioner.

Capsule Size: 1

Serving Size: 1 Capsule	**Amount/Serving**	**%DV**
Proprietary Humifulvate Complex humic, fulvic, and phenolic acids	75 mg	*
