OMEGA-3

Previous Next

Nordic Naturals' Omega-3 Formula provides an excellent source of Omega-3 fatty acids in their naturally existing ratios. EPA and DHA, the two main components of Omega-3 from fish oil, are essential for growth and development throughout the human lifecycle. Advanced lipid antioxidants have been added for freshness along with a delicious natural lemon taste.

Ingredients: Purified deep sea fish oil, lecithin, ascorbyl palmitate, vitamin E, natural lemon oil

Each 2 capsule serving provides:

EPA: 360 mg	other Omega-3: 100 mg
DHA: 240 mg	Vitamin E (mixed tocopherols): 28 IU

MORE INFO

All Nordic Naturals products are doctor recommended, pharmaceutical grade, molecularly distilled, and third party tested to document the absence of all environmental pollutants (No PCBs, dioxins, pesticides or heavy metals). Our featured products are flavored using our patented processing with natural lemon and strawberry essence!
