PS is a natural nutrient found in the brain which helps increase cell flexibility. This, in turn, enhances memory, focus and clarity. Naturally derived from soy, Natural Factors PS is ideal for those seeking to improve cognitive function, and those who experience occasional absentmindedness or mild memory problems associated with aging.*

Also available:
100mg / 60 Capsules - 2616U
100mg/30 softgel capsules - 2615U

Suggested Usage:
1 softgel, 3 times per day preferably with meals (provides a total of 150 mg PS) for the first month, then 1 softgel, 1–2 times per day thereafter (50-100 mg PS) or as directed by a health professional.
Keep out of reach of children.
Contains no artificial preservatives, color or sweeteners; no corn, dairy, starch, wheat or yeast.
