Green Tea Phytosome™

Code 4808 (50mg / 60 Capsules) buy now

Natural Factors Green Tea Phytosome™ is a caffeine-free extract standardized to one part 60% polyphenols (with not less than 40% (-)-epigallocatechin-3-O-gallate) bound to two parts phosphatidylcholine (from lecithin) to significantly enhance bioavailability. Cultivated since ancient times in China, there are now numerous scientific studies documenting the beneficial properties of Green Tea, including its powerful antioxidant effects. Antioxidants have been clinically proven to scavenge free radicals and prevent damage to cellular structures throughout the human body.*
Preserving cell health is being researched for its relationship to improved longevity, health and well-being.

Suggested Usage:
Take 1 capsule, 1- 2 times per day or as directed by a health professional.
Contains no artificial preservatives or color, no corn, dairy, gluten, sweeteners or yeast.
