Chewable Papaya enzyme tablets are a delicious source of beneficial enzymes for supporting digestion. Papain and Bromelain act to break down proteins into various amino acids. Amylase breaks down carbohydrates. Amla (gooseberry), supports enzymatic activity. Natural supplementation is an excellent way to replenish enzymes that are lost in foods during cooking and processing.* Enzyme potencies are guaranteed at time of manufacture.

Also available:
60 Chewable Tablets - 1748

Suggested Usage:
1 tablet with each meal or as directed by a health professional. Keep out of reach of children.

Contains no artificial preservatives, color or sweeteners; no dairy, soy or yeast.
