CoEnzyme Q10

Code 2071 (100mg / 60 Softgels)

buy now

Natural Factors easy-to-swallow Coenzyme Q10 softgel capsules contain a high potency formula consisting of 100mg of Coenzyme Q10 in a base of rice bran oil for enhanced absorption. Coenzyme Q10, also called Co Q10 or Ubiquinone is a natural substance essential to cellular energy production. It is an antioxidant which scavenges free radicals throughout the body. It is also involved in maintaining normal heart function.* Co Q10 works well with Vitamin E and other antioxidants.

Also available:
100mg / 120 Softgel Capsules - 2072
100mg / 30 Softgels - 2070
200mg / 30 Softgels - 20721
200mg / 60 Softgels - 20722

Suggested Usage:
1- 2 capsules daily or as directed by a health professional.

Contains no artificial preservatives or color, no corn, dairy, gluten, soya, starch, sweeteners, or yeast.
