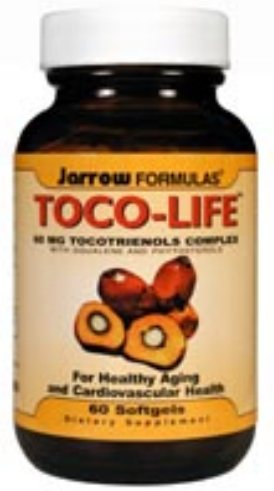
Toco-Life™



60 Softgels
60 mg Tocotrienols Complex
with Squalene & Phytosterols
Prod # 12026

Usage: Take 1 to 2 softgels per day, or as directed by your qualified health consultant.

TocoLife is a molecular distillate of the oil from palm fruit, providing the most potent and comprehensive tocotrienol complex. Tocotrienols are members of the vitamin E family. Squalene is naturally found in the liver and is a building block for hormones.

TocoLife protects cardiovascular function by affecting the biosynthesis of cholesterol (mevalonate pathway) and by reducing the oxidation of low-density lipoproteins.

TocoLife is rich in delta tocotrienol, a natural HMG-CoA a reductase inhibitor.
