buy now

Eye Factors™ is a combination of herbs and nutrients that have been shown to help the eyes and reduce free radical damage to the eyes.* Eye Factors includes the carotenoid, lutein, as well as bilberry, multi-anthocyanidins, carrot juice powder, and eyebright. All the herbs and nutrients in this formula are safe, and many are powerful antioxidants that fight free radical damage, one of the main reasons our eyesight deteriorates as we age.

Suggested Usage:
1 capsule 1-3 times per day or as directed by a health professional.
