Xylitol - 1 lb.

Looking for a healthy alternative to conventional table sugar that's much lower in carbohydrates? Xylitol is an outstanding choice! This sugar alcohol is derived from fruits, is approximately 50% less sweet than sugar, and has a much lower glycemic rating. As a result, it metabolizes slower in the body and helps support healthy blood/glucose levels. Extensive clinical studies continue to demonstrate that Xylitol is 100% natural and completely safe for both adults and children. Try some today and see for yourself!*
