## Coral Calcium 1,000 mg - 100 Vcaps®

Mined solely from the most select above ground resources in Japan, NOW Coral Calcium is an outstanding and cost effective alternative to more expensive mass-market brands. This exceptional complex of fossilized coral calcium is naturally enriched with an abundance of trace minerals that allow for effortless absorption and optimal utilization. Extreme care is used when processing this nutrient rich macro-mineral to assure ideal calcium content, low heavy metal ratios, and zero irradiation/radioactivity.*
